

SCAVENGER HUNT

NATURAL HISTORY SECTION

I am a grey animal with one horn.
Write down my name.

I am a bird with a beard! Write down
my name & draw a portrait of me.

I am a beloved animal and my
species is hunted for ivory. Can you
guess who I am? Draw my nose!

The plastic bags you throw are
mistaken for jellyfish and cause
me great harm. Who am I and
name the various species you see.

I am a bird with a horn on top of its beak.
Can you guess how many chicks are in my nest?

I am a big fish, I eat plankton, I am right above the large tooth sawfish.
Can you guess if I'm a whale or a shark? Hint: Notice my tail

I am a bird with a black and pink beak
and a long neck. Spot me in the gallery.
Write down my name and count how
many of us you see.

I am a leopard and have spots like
flowers unlike the cheetahs' small
round ones. Can you draw my spots?

Can you see the swaying monkeys?
List down its physical features you
you like best.

I slither around, and you can see so
many of us in the gallery. Can you draw
some of the patterns my scales make?
