

ANNEXURE - 3

PROJECT: PORCELAIN GALLERY		LEGEND REF: CST-1A	
Project No.:			
Area:	Display Shelf		
Date:	23rd March'24		
Item:	3 Circuit Suspended Track	Qty: (In Mtr.)	80
Model No.:	3-Circuit Suspended Track System		
Description:	3-Circuit 16A rated track system suitable for ceiling surface/suspended mounted in black finish, with all connection and fixing accessories as described		
Colour	Grey (Subject to approval)		
Lamp	N/A		
Beam Angle	N/A		
Lamp Base	N/A		
Total Wattage	N/A		
Control Gear	N/A		
Protection (IP)	20		
Accessories			
Dimensions:	Width: 37mm; Height: 40mm; Length: As per site		
Notes:	This is a generic specification based on a manufacturer's product To be read in conjunction with contract drawings and documents Vendor/Manufacturer to provide sample for approval by the consultant before installation Installation method as per manufacturer's specs.		

PROJECT: PORCELAIN GALLERY	LEGEND REF:	CST-2
-----------------------------------	--------------------	--------------

Project No.:			
Area:	Display Shelf		
Date:	23rd March'24		
Item:	Magnetic Track	2000mm Length Qty: (In Nos.)	44
Model No.:	Generic	1000mm Length Qty: (In Nos.)	127

Description: Surface mounted 24V/48V magnetic micro track system. in black finish, with all connection, onboard dimmable power supply and fixing accessories as described

Colour Black (Subject to approval)
Lamp N/A
Beam Angle N/A
Lamp Base N/A
Total Wattage N/A
Control Gear N/A
Protection (IP) 20
Accessories
Dimensions: As per image

Notes: This is a generic specification based on a manufacturer's product
 To be read in conjunction with contract drawings and documents
 Vendor/Manufacturer to provide sample for approval by the consultant before installation
 Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

CST-3

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: H Profile With 3 Circuit Track

Model No.: EUTRAC H-Profile With 3 Circuit Track

Qty: (In Mtr.) 33

Description: Aluminium-Extruded H-Profile, with provision for insertion and fixing of 3-Ckt track, complete with all rigid threaded stud suspension + coupling accessories.

Colour Grey (Subject to approval)

Lamp N/A

Beam Angle N/A

Lamp Base N/A

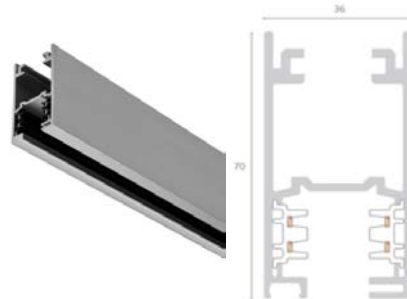

Total Wattage N/A

Control Gear N/A

Protection (IP) 20

Accessories

Dimensions: Width: 36mm; Height: 70mm; Length: As per site

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

TSL-1A

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Adjustable track mounted projectors

Qty: (In Nos.) 118

Model No.: Generic

Description: Adjustable 3-circuit track-mounted variable beam spotlight for LED lamp with built-in on board dimmable power supply. Additional accessories must be possible, viz, antiglare louver, and color filters.

Colour Grey (Subject to approval)

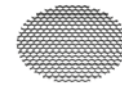

Lamp 20W LED 1800lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle Variable Beam (10° to 45°)

Lamp Base N/A

Total Wattage 22W

Control Gear Integral dimmable LED driver (on board) with minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP) 20

Accessories 50mm cowl with honeycomb louver

Dimensions: As per image

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

TSL-2A

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Track mounted Framing Projector

Qty: (In Nos.) 12

Model No.: Generic

Description: Adjustable 3-circuit track-mounted framing projector with built-in on board dimmable power supply and adjustable focus with four shaping blades at 90 deg positions.

Colour Grey (Subject to approval)

Lamp 20W LED 1800lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle Wide beam with variable focus with four framing

Lamp Base N/A

Total Wattage 22W

Control Gear Integral dimmable LED driver (on board) with minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP) 20

Accessories

Dimensions: As per image

Notes:

This is a generic specification based on a manufacturer's product

To be read in conjunction with contract drawings and documents

Vendor/Manufacturer to provide sample for approval by the consultant before installation

Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

TSL-3

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Megnetic track mounted Variable Beam Spotlight

Qty: (In Nos.) 175

Model No.: Generic

Description: Adjustable megnetic track-mounted variable beam spotlight for 24V/48V LED lamp with external dimmable power supply. Additional accessories must be possible, viz, antiglare louver, and color filters.

Colour: Black (Subject to approval)

Lamp: 3W LED 300lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle: Variable Beam (10° to 36°)

Lamp Base: N/A

Total Wattage: 5W

Control Gear: External dimmable LED Driver with local dimmer minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP): 20

Accessories:

Dimensions: As per image

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

TSL-3A

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Megnetic track mounted Variable Beam Spotlight

Qty: (In Nos.) 100

Model No.: Generic

Description: Adjustable megnetic track-mounted variable beam spotlight for 24V/48V LED lamp with external dimmable power supply. Additional accessories must be possible, viz, antiglare louver, and color filters.

Colour: Black (Subject to approval)

Lamp: 6W LED 600lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle: Variable Beam (10° to 36°)

Lamp Base: N/A

Total Wattage: 8W

Control Gear: External dimmable LED Driver with local dimmer minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP): 20

Accessories:

Dimensions: As per image

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

TSL-4

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Megnetic track mounted linear washer

Qty: (In Nos.) 158

Model No.: Generic

Description: Adjustable megnetic track-mounted 24V/48V linear washer with external dimmable power supply.

Colour Black (Subject to approval)

Lamp 12W LED 1100lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle Medium Beam (30°)

Lamp Base N/A

Total Wattage 14W

Control Gear External dimmable LED Driver with local dimmer minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP) 20

Accessories

Dimensions: Length: 200mm

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

CRL-1

Project No.:

Area: Display Shelf

Date: 23rd March'24

Item: Ceiling Recessed Variable Spotlight

Model No.: Generic

Description: Ceiling recessed variable round, 355° swivel and 45° tilt directional light, with deep recessed LED lamp and specular dark-optic reflector

Colour: White (Subject to approval)

Lamp: 12W LED 1100lm within SCDM 3, 90+ CRI, 3000° K

Beam Angle: (10° x 45°)

Lamp Base: N/A

Total Wattage: 14W

Control Gear: External dimmable LED Driver with local dimmer minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP): 20

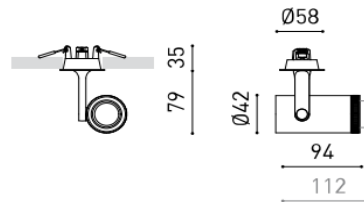

Accessories:

Dimensions: As per image

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

Qty: (In Nos.) 6

PROJECT: PORCELAIN GALLERY

LEGEND REF:

LCL-1

Project No.:

Area: Display Area

Date: 23rd March'24

Item: Linear Triangular Light

Qty: (In mtr.)

3

Model No.: Generic

Description: Floor mounted, triangular linear LED profile made with Aluminium extruded housing and polycarbonate **clear** diffuser.

Colour Natural Grey Body

Lamp 15W Per Mtr. LED array within SCDM 3, 90+ CRI, 3000° K

Beam Angle Wide flood

Lamp Base N/A

Total Wattage 16W

Control Gear External dimmable LED Driver with local dimmer minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP) 20

Accessories Fitting accessories mounting bracket for display and interconnecting leads for end-to-end interconnections.

Dimensions: Width: 20 mm; Height: 20 mm; Length: As per site

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.

PROJECT: PORCELAIN GALLERY

LEGEND REF:

PL-1

Project No.:

Area: Staircase

Date: 23rd March'24

Item: Pendant Light

Qty: (In Nos.)

1

Model No.: Generic

Description: Ceiling suspended decorative pendant light

Colour: Black

Lamp: 12W LED within SCDM 3, 80+ CRI, 3000° K

Beam Angle: Wide flood

Lamp Base: N/A

Total Wattage: 13W

Control Gear: External non-dimmable LED Driver minimum 0.9PF, THDi≤10% & Current ripple ≤20%

Protection (IP): 20

Accessories: Fitting accessories for ceiling suspension

Dimensions: Dia: 400 mm; Height: 450 mm

Notes:

This is a generic specification based on a manufacturer's product
To be read in conjunction with contract drawings and documents
Vendor/Manufacturer to provide sample for approval by the consultant before installation
Installation method as per manufacturer's specs.
